Plans of Iceberg Sculpture Revealed

The City of Miami Beach's Art in Public Places will reveal a maquette of "Drift," an original work of art by world-renowned artist Iñigo Manglano-Ovalle, on Friday, July 7.

"Drift" is a reproduction of an arctic iceberg and will be 26 feet wide and 16 feet tall at its peak. The artwork is being created specifically for South Pointe Park and scheduled to be installed at the West Palm Lawns in the park in 2007.

Congrats! Miami Beach Schools Receive an A on FCAT.

SOUTH POINTE ELEMENTARY | FIENBERG-FISHER ELEMENTARY
NORTH BEACH ELEMENTARY | BISCAYNE ELEMENTARY | NAUTILUS MIDDLE

HURRICANE PREPAREDNESS TIP

Determine where you will go if you are advised to evacuate. Will you go inland to a hotel, to the home of a friend or relative, or to a local public shelter? If you are advised to evacuate, do you know which route you would take? Contact the City's Office of Emergency Management to help you answer these questions at 305.673.7120.

MIAMIBEACH JULY 4TH CELEBRATION

Dance under the stars with Carlos Oliva y Los Sobrinos del Juez

The City of Miami Beach presents its annual Fourth of July patriotic celebration of music and spectacular fireworks on Tuesday, July 4, at 7:00 p.m., on the beach at 10 Street and Ocean Drive. The event is free and open to the public.

Headlined by the Latin rhythmic sounds of Carlos Oliva y Los Sobrinos del Juez, this year's celebration will move the audience to dance under the stars. The event will open with the naturalization of 11 new U.S. citizens by the Department of Homeland Security.

Everyone is encouraged to arrive early and bring beach chairs and towels. No coolers or bottles will be permitted on the beach. For more information, call 305.673.7400.

FIREWORKS SAFETY TIPS

In Florida, it is prohibited to purchase or use certain fireworks. Only sparklers and ground-based novelty and trick noise makers are permitted. Here are some safety tips:

- ★ Always read and follow label directions.
- ★ Have an adult present and never give kids fireworks.
- ★ Buy from reliable sellers.
- ★ Use outdoors only.
- ★ Always have water handy (a garden hose and a bucket).
- ★ Never experiment or make your own fireworks.
- ★ Light only one firework at a time.
- ★ Never re-light a "dud" firework (wait 15 to 20 minutes and then soak it in a bucket of water).

- ★ If necessary, store fireworks in a cool, dry place.
- ★ Dispose of fireworks properly by soaking them in water and then disposing of them in your trashcan.
- ★ Never throw or point fireworks at other people or near a crowd.
- ★ Never carry fireworks in your pocket.
- ★ Never shoot fireworks in metal or glass containers.
- ★ The shooter should always wear eye protection and never have any part of the body over the firework.
- ★ Stay away from illegal explosives.

Kids Learn Bike Safety Tips

The City of Miami Beach organized the first Bicycle Safety and Fitness Camp to teach children basic tips on how to safely ride their bicycles. Kids learned about traffic laws, bike handling skills, maintenance and repair, crash-avoidance techniques and other safety tips during the camp, which was held from June 12 through June 23 at the North Shore Youth Center. The camp also offered several fun and exciting field trips to bike paths in the community.

Certified bicycle instructors and professionals volunteered their time during the camp. The Police Department and Miami Beach Police Athletic League donated bicycles, helmets and locks to ensure each child has proper equipment.
